January, 2012

Dear Friends of Centennial High School,

The Centennial High School Boosters invite you to support our annual Gala and Silent Auction, to be held on Saturday, March 17, 2012. Auction proceeds will directly benefit the entire CHS student population, enhancing the more than 100 extra-curricular activities, clubs and athletic teams supported by the Boosters. Our goal is to raise money to purchase equipment, uniforms, and supplies not currently funded by the county or state governments for extra-curricular activities.

*Won't you join our many generous supporters with a tax deductible donation of a merchandise item, gift certificate or other commodity that will help us raise critical funds for our students?*

All contributors will be listed in the event program, and on the Boosters website. Large value contributors will also be highlighted in emails to the Centennial High School Boosters database and in other marketing materials, as well as having their logos on our website for the entire year. We anticipate at least 200 guests at the event who will be bidding on donated items in a silent or live auction atmosphere. Contributors are invited to display business cards or brochures that would further your marketing efforts along with the donated item(s). This is a great opportunity to help local students and athletes, while at the same time promoting your business to an audience of several hundred friends, neighbors and patrons in the community.

If you have any questions, please feel free to call me at the number listed below. A Contributor's Form is attached that should be completed and returned with any donations so that we can properly advertise all donated items.

On behalf the Centennial High School Boosters, we thank you in advance for your generous support of CHS and its over 1500 students.

Sincerely,

Cindy Ouellette, Centennial Boosters Gala Chair 2012
